Stylish Bundle: 10,2“ Subnotebooksleeve & optical USB mouse

Sleeve:
The new Sleeve from DICOTA is available in two stylish designs. Whether you opt for black with futuristic lines (Future) or elegrant grey with discreet flowers (Flower), we have a style to suit all tastes! Netbooks ranging from 7" to 10.2" are stored snugly in these pouches and with little weight to them can be easily carried about. Both designs are made from robust and particularly flexible neoprene and fit snugly around your Netbook like a second skin. Damage and small scratches to your Netbook are a thing of the past. A further advantage: the zip is equipped with extra protection on the inside to prevent scratches to the Netbook whilst packing or unpacking it. DICOTA Subnotebooksleeve: Stylish and snugly fitting - a must for all trendy Netbook users!

Mouse:
The optical Notebook mouse “Desire” unifies functionality with attractive design. It is small, light-weight and ready in an instant thanks to Plug & Play – no drivers necessary. This allows you to work on your Notebook anytime and anywhere! It operates on nearly all surfaces with 800 dpi, which makes for very precise operation. The three buttons including the glowing scroll wheel do their part in making the handling of the mouse as comfortable as possible. The moulded rubber coating on the sides ensures that the mouse fits the hand extremely well. Thanks to the self-retracting cable, cable tangles are a thing of the past. The USB cable is the perfect length for working on the go and can easily be stowed for transport.
